Welcome to Associated health & Beauty Products

Our business policy is to carry only items which we can fully back as quality products. This comes from over 40 years of experience in the electrolysis industry and in the educational field of Electrology. We specialize in training and providing complete technical support with all the equipment purchased through our company.

For the fast growing skin care field we also carry a full line of state-of-the-art esthetics equipment and products. Training also provided with all of our esthetics products and equipment

All orders are shipped UPS  
Master Card, Visa, & Discover accepted
